

The Tomlinson Arboretum is a 25 acre sanctuary of predominately native Michigan species of trees, bushes, and wildflowers.

Tributes and memorial donations are accepted to help sustain the Arboretum. The Arboretum Committee welcomes donations to be designated for trees and other gifts. Donors may choose trees from available stock. A dedication plague will be post-mounted near the donor's tree.

Donors will receive an official acknowledgement of their gift which may be used for tax purposes. If you have questions, please contact the Arboretum Committee.

Mr James Hungerford 586 549 0307 jphungerford@gmail.com

If you are interested in purchasing a memorial tree or donating to the Tomlinson Arboretum, please complete the form below and return it to:

Ms Jessica Leija Asst. Finance Director
